

## **Call for Papers**

### Workshop on **'Nationalism and Religion'**

14 - 15 December 2017, Leipzig University  
Humanities Centre for Advanced Studies (Kolleg-Forscherguppe, KFG)  
"Multiple Secularities – Beyond the West, Beyond Modernities"  
Convenor: Nader Sohrabi

This workshop is open to all who explore the relation between nationalism and religion in the modern world from the nineteenth century to the present. The workshop aims to transcend the opposition between religion and nationalism and explore their interaction contextually. What are the changing forms of religion and nationalism through time, and under what local or global circumstances do they become conflicting or mutually reinforcing rubrics for action and identity?

The two-day workshop takes place on Thursday December 14 and Friday December 15 and is open to all graduate students and advanced scholars. **Deadline for application is November 30. Written papers for pre-circulation are encouraged, and due by December 7.**

**Please direct all abstracts (350 words) and queries to Nader Sohrabi: [nadersohrabin@gmail.com](mailto:nadersohrabin@gmail.com)**
